

**DANGER
RANGERS**

www.DangerRangers.com

- 1. Install smoke detectors in each sleeping area and on every level of the home. Check each smoke detector monthly and replace batteries twice a year.**
- 2. Create a fire escape plan that includes an outside meeting place. Practice exiting the house as if there were a fire.**
- 3. Secure matches, lighters, and other heat sources out of children's reach.**
- 4. Check electrical outlets, fireplaces, and all areas of the house for potential fire hazards.**
- 5. Talk to your parents about when, how, and why to use emergency phone numbers in case of a fire.**
